

Memory Game Tiles Safety Sheet

Unisub product #4370

DISCLAIMER

This product (Memory Game) has been safety tested and is compliant with CPSIA and EN-71 for children and adults, ages 3 and up. UNISUB's Memory Game carries the CE Marking of the Toy Safety Directive (EU) and is approved by the Consumer Product Safety Commission (US) when processed using Sawgrass Technologies Sublimation Inks.

To market this product to children 3 years old and up, the Memory Game must be sold in the box provided by Universal Woods along with the label included with the following information: CE mark, product ID, Date of Manufacture, Bar Code, Age Appropriateness Label and Manufacturer Contact Information.

If the product is repackaged and/or sold without the safety label, sublimated using inks other than Sawgrass inks, Universal Woods assumes no liability for any safety violations relating to the sale of this product to children ages 3 and up.

The box top may be customized with a sticker and or label.
